AMENDMENT UNDER 37 C.F.R. § 1.312

The applicant submits the issue fee along with this amendment under 37 C.F.R. § 1.312 to address the additional sheets of replacement drawings in the description of the specification. The replacement drawings are filed in response to an objection to the drawings by the Draftsperson. These amendments do not require any additional search or examination on the part of the examiner and are made without the addition of any new matter. This response is made in accordance with 37 C.F.R. § 1.121 as amended using the format with each heading beginning on a separate page as follows:

1. Amendments to the Specification begin on page 3 of this response;
2. Amendments to the Drawings begin on separate page 5 and include attached replacement sheets of drawings;
3. Remarks begin on page 6 of this response; and
4. An Appendix including twenty eight (28) replacement drawings sheets are attached following page 7 and are to be included as part of this submission.

In accordance with the amendment directions provided in 37 C.F.R. § 1.121, please amend the specification and accept the drawing sheets attached. Each amendment

is believed to have been made in accordance with Rule 121, however, should any unintended informality exist, it is requested that the undersigned be contacted by telephone so that it may be resolved as expediently as possible.
